Getting Started

We know you're excited about starting the project, but first things first!

Have you:

1. Contacted GDI for a free, in home consultation
2. Ensured your contractor has pulled the required permits
3. Drawn up and approved plans for the bathroom remodel
4. Agreed to a budget with the contractor
5. Created stipulations if project goes out of budget
6. Secured money to fund the project
7. Set a deadline for the project
8. Created a timeline to ensure deadline is met
9. Contacted references

Notes:

**Call Great Day Improvements today for an in-home, no obligation, completely free
consultation, and get started on your dream bathroom tomorrow. 1-800-230-8301.**
